## Mission and Vision

The business world moves at a high speed and in order for businesses to remain relevant, innovative and progressive, our operational functionality needs to be optimal and consistent. In order to sustain growth and prosperity, it is essential for businesses to ensure that products are delivered to its destination on time. As such, businesses have recognised its reliance on courier service providers to deliver consignments expeditiously.

Execudrive SA Express Freight & Logistics launched in 2017 after identifying the increased demand for a convenient, flexible and affordable consumer delivery solution. We pride ourselves on our business ethos of customer-centric services, ensuring that we always put the needs of our customers first.

Our mission is to provide a courier service that is accessible to both businesses and individuals. We are a courier service that aims to deliver, regardless of the size or type of package. Our competitive rates are often customised to ensure that each customer gets exactly what they need. Our company's strategy is to ensure that we add value to a business's operation and we form strategic long-term partnerships.

Service excellence and forging relationships remain the core of our mission.

## Industry Experience & Business Capacity

Our sales and operations teams bring a wealth of industry knowledge and experience that encompasses tracking, safety, logistics planning and service excellence to ensure that customers' needs are met and exceeded. Our value proposition is ensuring we avail ourselves to our customers at any time, paying attention to all the details, and keeping the lines of communication open. Our methodical approach from origin to end-user ensures that packages arrive at the right destination, on time.

Our already extensive logistics industry experience means we are aware of the escalating costs that companies incur through transportation services. So our value extends itself to saving a business money by ensuring our prices are competitive, offering discounts where applicable. Our insurance policies ensure that customers are protected during any unforeseeable damage that may occur during transport or shipment.

## Service

Our service offering is tailor-made to suit a business's operational needs and requirements. We provide regular updates ensuring that customers are kept in the loop of any delays to proactively manage issues before they escalate. We issue POD's upon delivery, offer 24/7 support and contact, and all vehicles are fitted with GPS tracking.
